Notes :List additional children on another sheet. Include grandchildren, if any

Be sure to use maiden names for all married women

If you do not know the exact date, an approximation will help, e.g. “?1879” or “ca 1890”

Place descendant's name first when listing parents and grandparents, e.g. “Mary Freer and John Jones”

Biographical notes and anecdotes would be appreciated

Ask for additional sheets if you need them

We would appreciate addresses of your relatives who might have additional information.
